EXAMINER'S AMENDMENT

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on July 17, 2007 has been entered.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

3. This application is in condition for allowance except for the presence of claims 12, 13 & 17 directed to a species non-elected without traverse. Accordingly, the application has been amended as follows:

Claims 12, 13 & 17 have been cancelled.

4. The following is an examiner's statement of reasons for allowance: The prior art to Rubsam-Tomlinson appeared to be the closest related piece of evidence. However, the cited reference failed to define "a kitchen trash container system" as set forth in the claims. Specifically, the reference by itself or in combination does not reasonably disclose a tray including a downwardly depending edge and defining a channel as

disclosed; a slide mechanism including a first slide attached to a cabinet frame and a second slide attached to the underside of the tray in combination with the specific structural characteristics as prescribed by applicant; and a waste container carried by the tray, as structurally defined and functionally interrelated with the other elements recited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
